

INFUSION	BENEFITS	INGREDIENTS
<p style="text-align: center;">Myers Cocktail</p>	<ul style="list-style-type: none"> ★ Helps Alleviate Stress ★ Improves Immunity ★ Reduces Chronic Pain ★ Helps Reduce Fatigue ★ Restores Balance ★ Provides Hydration ★ Helps Reduce Migraines 	<ul style="list-style-type: none"> ● Magnesium Chloride - reduces fatigue, decreases risk of migraines, improves relaxation ● Vitamin B1 - nerve signaling and energy maintenance ● Vitamin B2 - balancing testosterone and estrogen ● Vitamin B3 - balancing testosterone and estrogen ● Vitamin B5 - adrenal hormone production, skin and muscle repair ● Vitamin B6 - clear mental functioning and energy maintenance ● Hydroxo B12 - helps treat low vitamin B12 and promotes healthy brain function, blood, cells and nerves ● Calcium Chloride - healthy bones, muscles, nerves, cells ● Ascorbic Acid - boosts immunity, protects from free radical damage, aids in iron absorption, creates collagen
<p style="text-align: center;">Immunity</p>	<ul style="list-style-type: none"> ★ Protects against infection ★ Improves healing time ★ Supports your immune system ★ Reduces duration of illnesses 	<ul style="list-style-type: none"> ● Ascorbic Acid - boosts immunity, protects from free radical damage, aids in iron absorption, creates collagen ● Zinc Chloride - helps reduce the duration of illnesses, prevents infection and speeds up the healing process ● Vitamin B1 - nerve signaling and energy maintenance ● Vitamin B2 - balancing testosterone and estrogen ● Vitamin B3 - Balancing testosterone and estrogen ● Vitamin B5 - promotes wound healing, restores skin elasticity ● Vitamin B6 - clear mental functioning and energy maintenance ● Hydroxo B12 - helps treat low vitamin B12 and promotes healthy brain function, blood, cells and nerves
<p style="text-align: center;">High Dose Vitamin C</p>	<ul style="list-style-type: none"> ★ Boosts immunity ★ Promotes wound healing and healthy skin ★ Improves iron absorption ★ Improves mood ★ Improves blood pressure ★ Reduces lead toxicity ★ Healthy eyes 	<ul style="list-style-type: none"> ● Vitamin C is a potent antioxidant that is essential for life but is not produced in the body. It has cancer properties, supports immune health and helps with chronic and autoimmune diseases. <ul style="list-style-type: none"> ○ 12g ○ 25g ○ 50g *labwork is needed prior to admin, must see a provider* ● Infusions also contains calcium and magnesium.
<p style="text-align: center;">NAD +</p>	<ul style="list-style-type: none"> ★ Anti-aging ★ Improve brain health/function ★ Boost energy levels ★ Supports cardiovascular health ★ Increases metabolism 	<ul style="list-style-type: none"> ● NAD+ (nicotinamide adenine dinucleotide) is an enzyme cofactor found in every cell and essential for metabolism. <ul style="list-style-type: none"> ○ NAD fuels mitochondrial function to produce our body's source of energy: ATP! ○ NAD levels decline as we age and with oxidative stress, chronic illness, exposure to environmental toxins, and highly processed food diets ○ NAD is needed to repair damaged cells and DNA. ○ NAD+ infusions are linked with increased energy, healthy aging, and improved mental clarity. <ul style="list-style-type: none"> ■ Can slow the aging process at the cellular level

INFUSION	BENEFITS	INGREDIENTS
<p>Migraine Relief</p>	<ul style="list-style-type: none"> ★ Helps reduce fatigue ★ Provides hydration ★ Restores balance ★ Improves energy maintenance ★ Decrease pain/inflammation 	<ul style="list-style-type: none"> ● Magnesium - reduces fatigue, decreases risk of migraines, improves relaxation ● Vitamin C - is a potent antioxidant that is essential for life but is not produced in the body. It has cancer properties, supports immune health and helps with chronic and autoimmune diseases ● Vitamin B1 - nerve signaling and energy maintenance ● Vitamin B2 - balancing testosterone and estrogen ● Vitamin B3 - Balancing testosterone and estrogen ● Vitamin B5 - promotes wound healing, restores skin elasticity ● Vitamin B6 - clear mental functioning and energy maintenance ● Toradol - NSAID - decreases inflammation and pain ● ** Can ADD - Zofran - antiemetic, to treat nausea
<p>Energy Boost</p>	<ul style="list-style-type: none"> ★ Boost energy ★ Boost metabolism ★ Burn fat ★ Improve sleep 	<ul style="list-style-type: none"> ● B vitamins - convert nutrients into energy <ul style="list-style-type: none"> ○ Vitamin B1 - nerve signaling and energy maintenance ○ Vitamin B3 - balancing testosterone and estrogen ○ Vitamin B2 - balancing testosterone and estrogen ○ Vitamin B5 - promotes wound healing, restores skin elasticity ○ Vitamin B6 - clear mental functioning and energy maintenance ○ Vitamin B12 - helps treat low vitamin B12 and promotes healthy brain function, blood, cells and nerves ● Taurine <ul style="list-style-type: none"> ○ Plays a role in energy metabolism ○ Antioxidant properties decrease oxidative stress - promoting anti-aging properties ● Amino Blend <ul style="list-style-type: none"> ○ L-Glutamine - supports metabolism and reduces muscle wasting ○ L-Ornithine - aids is metabolism of other aminos ○ L-Arginine - aids in muscle growth and fat metabolism ○ L-Lysine - aids in collagen production, decreases cholesterol levels ○ L-Citrulline - boosts immune support
<p>Mold Detox</p>	<ul style="list-style-type: none"> ★ Reduces fatigue, headaches, migraines, respiratory issues, brain fog, skin rashes, memory issues, joint pain, vertigo, chronic pain caused by mold exposure ★ Decreases susceptibility to other illnesses 	<ul style="list-style-type: none"> ● Phosphatidylcholine - found naturally in the body within cells, protects liver cells from damage from viral illnesses/mold <ul style="list-style-type: none"> ○ By replenishing your cell membranes with healthy phospholipids, you can expect improvement in overall cellular function, repair tight junctions in the intestinal lining, as well as improvement in transport of important nutrients into the cell and export common toxic compounds such as heavy metals, mold, organic pollutants and chemicals like PCBs and pesticides out of the cell. ● Glutathione - an antioxidant made from amino acids and found in every cell. It is important for maintaining intracellular health <p style="text-align: center;">**Ability to decline glutathione additive**</p>
<p>Glutathione</p>	<ul style="list-style-type: none"> ★ Removes toxins ★ Supports brain, lung and liver health ★ Reduces oxidative stress ★ Boosts immunity ★ Lowers homocysteine levels 	<ul style="list-style-type: none"> ● Glutathione is an antioxidant made from amino acids and found in every cell. It is important for maintaining intracellular health <ul style="list-style-type: none"> ○ Levels diminish with age, chronic illness and poor health ○ 500mg ○ 1000mg <p style="text-align: center;">*Can be administered alone, or as an add on to any infusion*</p>

Alpha-lipoic Acid (ALA)	<ul style="list-style-type: none">★ Antioxidant properties★ Reduces Inflammation★ Improved nerve function★ Protects the brain and nerve tissue★ Turns nutrients into energy★ Reduces oxidative stress induced damage★ Improves insulin sensitivity	<ul style="list-style-type: none">● Alpha-lipoic Acid (ALA) is a compound that functions as an antioxidant in the body, meaning it helps neutralize harmful free radicals and may offer several potential health benefits.<ul style="list-style-type: none">○ Helps enzymes turn nutrients into energy● ALA will aid in treatment of Mold, Lyme, Heavy Metal Toxicity, Neuropathy, Neuropathic Pain
